May 14, 1982

Mr. Peter J. Denning
President, Association for Computing
Machinery
Purdue University
West Lafayette, Indiana 47907

Dear Mr. Denning:

Inadvertently I forgot to send to you a copy of the second submission by Admiral Inman for the September 1982 issue for Technology and Society Magazine. That material is enclosed. Please accept my apologies.

Sincerely,

Special Assistant to the Deputy
Director of Central Intelligence
